Dear Sir/Madam,

Subject: Revised Guidelines for Ex-India Period for ICCR Sponsored Students.

Considering the requests of the students and the agenda already approved by the Governing Body on 27th April 2021, **the Competent Authority has approved the waiver of ex-India period deduction with effect from 1st April 2025 for ICCR sponsored students**, subject to the following conditions:

- a) Students must obtain prior permission from the University for any planned absence, whenever possible; and
 - b) Students must inform the concerned ICCR Zonal Office in advance or promptly in case of emergencies.
2. It is pertinent to mention that failure to comply with these requirements will result in stipend deductions if the student stays in their home country beyond 30 days. Hence, Universities/Institutes are requested to advise students to strictly follow these guidelines to avoid disruptions in their stipend payments.
3. This issues with the approval of the Competent Authority.
