Centurion Scientific

<https://www.centurionscientific.co.in/>

We are one the renowned manufacturer, trader, exporter, importer and service provider of an extensive range of Laboratory Instruments. These are known for features like reliable performance, durable finish standards, and precision engineering.

About Us

Incepted in the year **2004**, we, **Centurion Scientific**, are a renowned name involved in manufacturing, trading, exporting, importing and service provider a broad range of Laboratory Instruments. We offer **Gas Chromatograph, Gas Chromatograph Accessories, Industrial Viscometer, Industrial Rheometer, Texture Analyzer, Powder Flow Tester, Viscometer Installation Services and much more**. These products are made up of quality material.

Frequent up gradation of our manufacturing equipment and the combination of the latest production procedures have made us capable of manufacturing instruments that can be relied upon in the industry. With a team of skilled engineers and process experts from the chemical equipment industry, we have been able to manufacture a wide range of world-class Laboratory Instruments.

Under the successful and stirring management of our Business Manager **Mr. Sumit Chhabra**, we have attained a distinctive position in the laboratory equipment industry. His exhaustive technical expertise and leadership abilities have provided the entire organization, the essential driving force to remain ahead of competitors. Our exporting markets include **Malaysia, Singapore, Dubai, Iraq, Iran, Africa, Syria, Nepal, Philippines, Indonesia, Thailand**.

INDUSTRIAL VISCOMETER

Products & Services

Industrial DV2T Viscometer

CAP 2000 Plus Viscometer

Brookfield Digital Viscometer

DV I Prime Viscometer

ANALYTICAL BALANCES

Products & Services

Moisture Analyzer Balance

Lovibond Tintometer Model F

Eutech PH Meter

Laboratory Analytical
Balances

TINTOMETER

Lovibond Tintometer PFXi-995/P

Lovibond Tintometer PFXi-195/1 & PFXi-195/2

Lovibond Tintometer PFXi-995/P

Lovibond Tintometer E Comparator

VISCOMETER ACCESSORIES

Gc Capillary Column

Viscosity Standard Oils

Brookfield Helipath Stand

Brookfield Viscosity Standard Fluid

GAS CHROMATOGRAPH

Products & Services

Gas Chromatograph Model
5700+

Hydrogen Gas Generators

Gas Chromatography Septum

Natural Gas Analyser

LABORATORY EQUIPMENT

Products & Services

Shimadzu Precision Balance

Moisture Analyzer Balance

Lovi Bond Photometer

Laboratory Weighing Balance

ANALYTICAL INSTRUMENTS

Products & Services

Gas Chromatograph (Edible oil / Ghee Analysis)

Gas Chromatography Machine

Shimadzu Precision Balance

OTHER PRODUCTS:

DV E Viscometer

Electronic Weighing Balance

Lovibond Tintometer PFXi-880/P

Hydrogen Gas Generators

OTHER PRODUCTS:

Hydrogen Gas Generators

Gas Chromatography Machine

Gas Chromatography Machine

E Comparator Petroleum
Testing Color Measurement

OTHER PRODUCTS:

Ec2000 Lovibond e
Comparator
